Persona 4 golden can you max all social links

June 13, 2020 By: Andrew Stretch One of the biggest gameplay elements of Persona games is the friends that you make along the way. In Persona 4 the party members, close NPCs, and even some more distant characters represent the Protagonist's social links. By leveling these up through the story, you'll not only learn more about these characters but power up party members, gain the ability to unlock powerful Persona, and one even leads to a Persona 4 Golden dungeon. Each of the Social Links is laid out by the character and Arcana that they represent, there are 28 Social Links in total. You're able to level up these relationships to rank 10 as you play through Persona 4 Golden. Below we will go through each Arcana name, the lead character, when the Social Link begins, Rank requirements, and when they're available. If there are any additional requirements for any rank, we'll also list those. Before you get too far into planning out who you want to meet and when though it's important to know a few things: You will only go up a rank with your Social Link if when talking to them you get a message saying "You feel you will grow closer to this person" On days where you can't meet anyone you can pray at the shrine for a random bonus to a Social Link of your choice You get extra points if you have a Persona of the Social Link's Arcana with you. This can speed up the process greatly Persona 4 Golden Social Link Calendar Persona 4 Golden Party Member Social Links Fool Character: The Protagonist Begin Requirements: None Rank Requirements: This Social Link will be completed as you progress through the story Rank 1: Automatically activates after an event on 4/17 Rank 2: Automatically activates after an event on 4/30 Rank 3: Automatically activates after an event on 5/18 Rank 4: Automatically activates after an event on 6/6 Rank 5: Automatically activates after an event on 7/7 Rank 6: Automatically activates after an event on 7/7 Rank 7: Automatically activates after an event on 7/27 Rank 8: Automatically activates after an event on 10/6 Rank 9: Automatically activates after an event on 11/6 Rank 10: Automatically activates after an event on 12/3 Availability: N/A Reward: An item to summon Loki, the ultimate Persona of the Fool Arcana Magician Character: Yosuke Hanamura Begin Requirements: None Rank Requirements: Rank 1: Automatically on 4/16 Rank 2: Option 1 Yosuke will learn Trafuri Rank 3: Option 3 > Any Rank 4: Option 3 > Option 1 Rank 5: Option 1 or Option 2 > Option 3 Rank 6: Option 1 > Option 1 Yosuke will learn Auto-Sukukaja Rank 7: Any answers will suffice Rank 8: Any answers will suffice Yosuke will learn Diarama Rank 9: Option 1 > Option 1 Rank 10: Any Options will suffice Yosuke will learn Evade Electricity Availability: Learning Building 2F on Monday/Thursday/Friday/Saturday Junes on Sunday/Holidays Chie Satonaka Begin Requirements: None Rank Requirements: Rank 1: Automatically on 4/18 Rank 2: Option 1 > Option 1 Chie will learn Rebellion Rank 3: Option 1 (Lv 3 Courage) or Option 2 Rank 4: Option 3 (Lv 3 Courage) or Option 2 > Option 3 (Lv 3 Courage) or Option 1 Chie will learn Ice Boost Rank 5: Option 2 > Option 3 > Option 1 or Option 3 Rank 6: Option 1 > Option 1 Chie will learn Revolution Rank 7: Any > Option 1 Rank 8: Option 2 Chie will learn Bufula Rank 9: Any Option > Option 2 > Option 1 (for Romance) or Option 2 (for Friends) Rank 10: Romance Path: Option 2 > Option 1 > Any Option > Any Option Friends Path: Any Option Chie will learn Evade Fire Availability: School Roof on Monday/Tuesday/Thursday/Saturday South Shopping District if Holiday If it is raining, you cannot meet with Chie Reward: An item to summon Futsunushi, the ultimate Persona of the Chariot Arcana Chie will unlock their Ultimate Persona, Suzaku Gongen Priestess Character: Yukiko Amagi Begin Requirements: None Rank Requirements: Rank 1: Automatically on 5/17 Rank 2: Option 1 > Option 1 Yukiko will learn Mudo Rank 3: Option 1 > Option 1 > Option 1 (Lv 4 Courage) or Option 2 Rank 4: Option 1 > Option 1 > Option 2 Yukiko will learn Divine Grace Rank 5: Option 1 > Any Option> Any Option Rank 6: Option 2 > Option 2 > Option 3 Yukiko will learn Amrita Rank 7: Any Option > Any Option Rank 8: Any Option > Option 2 Yukiko will learn Mudoon Rank 9: Option 1 or Option 3 > Option 1 (for Friends) or Option 3 (for Romance) Rank 10: Romance Path: Any Option > Any Option Friend Path: Any Option > Any Option Yukiko will learn Evade Ice Availability: Learning Building 1F on Monday/Tuesday/Wednesday/Thursday South Shopping District on Sunday to Ride/Holiday If it is raining, you cannot meet with Yukiko Reward: An item to summon Scathach, the Ultimate Persona of the Priestess Arcana Yukiko will unlock their Ultimate Persona, Amaterasu Emperor Character: Kanji Tatsumi Begin Requirements: None Rank Requirements: Rank 1: From June 9 go to Learning Building 2F.
